NATIONAL DAY OF PRAYER - The 64th annual National Day of Prayer, **May 7, 2015**, will have profound significance for our country. Our theme for 2015 is **Lord, Hear Our Cry**, emphasizing the need for individuals, corporately and individually, to place their faith in the unfailing character of their Creator, who is sovereign over all governments, authorities, and men. To further highlight our theme, we’ve chosen I Kings 8:28 as our Scripture for this year: “*Hear the cry and the prayer that your servant is praying in your presence this day.*”

For the May 7th observances, Dr. Jack Graham, the 2015 Honorary Chairman, wrote a [special prayer](#) to be simultaneously read throughout the nation at noon (EDT).

Heavenly Father, We come to You in the Name that is above every name—Jesus Christ our Lord and Savior. Our hearts cry out to You. Knowing that You are a prayer-answering, faithful God—the One we trust in times like these—we ask that You renew our spirits, revive our churches, and heal our land. We repent of our sins and ask for Your grace and power to save us. Hear our cry, oh God, and pour out Your Spirit upon us that we may walk in obedience to Your Word. We are desperate for Your tender mercies. We are broken and humbled before You. Forgive us, and in the power of Your great love, lift us up to live in Your righteousness. We pray for our beloved nation. May we repent and return to You and be a light to the nations. And we pray for our leaders and ask that You give them wisdom and faith to follow You. Preserve and protect us, for You are our refuge and only hope. Deliver us from all fears except to fear You, and may we courageously stand in the Truth that sets us free. We pray with expectant faith and grateful hearts. In Jesus’ name, our Savior. Amen.

MUSIC NOTES – Léon Boëllmann (1862-97) was a French composer of Alsatian origin. He studied music in Paris from the age of nine and remained there, becoming organist at the church of St. Vincent-de-Paul, until his early and untimely death. The music heard this morning is from his most renowned composition, *Suite Gothique*. Whether this composition was inspired by gothic architecture or the culture of medieval Europe is not known but among its movements is the charming song-like *Prière à Notre-Dame (Prayer to Our Lady)* and the *Menuet gothique* (gothic minuet), which was dance popular in the 18th century. Both pieces illustrate Boëllmann’s musical style which was based on clear, lyrical melodies, conservative harmonies, and musical structures which were those used by composers of his time and earlier.
